Automatic Payment Authorization Form

Use this form to request the transfer of an automatic payment to your Reliant Community Credit Union savings or checking account. Complete one form for each automatic payment. Many companies also provide information on their website or on their bill/statement explaining how to make changes or establish an automatic payment. Please allow sufficient time for your first automatic payment to be activated with your new Reliant account.

**Please note:*
If you are making a payment from your checking account be sure to attach a voided check or deposit slip from your new Reliant checking account. It is recommended that you maintain accounts at both financial institutions until your automatic withdrawal authorization change is complete.

Contact the company that generates your automatic withdrawal to determine when your automatic withdrawal will become effective. The company may require you to complete additional forms in order to process your transfer.
