*Annual Percentage Rate = APR. The introductory rate is available for new Reliant HELOC accounts and is fixed until the first day of the fourth calendar month following the date of closing. The rate for a Home Equity Line of Credit is based on the Prime Rate published in *The Wall Street Journal* on the last business day of the second month of the calendar quarter preceding the change date plus a margin of 0% for the Prime Option plan. As of 4/1/16, these rates were 3.50% for the Prime Option plan. Your rate may vary if the Prime Rate varies, but it will not exceed 15.00% APR or be less than 3.00% APR. Existing Reliant HELOC accounts must meet additional

conditions to refinance to this program.

Reliant will pay all third party fees on its Home Equity Line of Credit provided an initial advance of \$15,000 or more is taken. If you do not maintain a balance on the Line of Credit throughout the 36 months after the date it is opened, you must reimburse the credit union for certain fees Reliant paid to third parties in connection with opening the line. These fees will generally total between \$295 (for \$7500 line) and \$2,893 (for \$175,000 line).

**Annual Percentage Rate (APR) applies to automatic payment for model years 2015-2016 with 36 monthly payments of \$28.20 per \$1,000 borrowed as of 5/2/16. Your vehicle loan rate will be determined by your credit score, model year of vehicle, term of loan, and payment method. Other great rates and terms available. Refinanced vehicle loans are available up to the remaining term of your existing loan with another financial institution; they are not available on existing Reliant auto loans. 100% financing of MSRP/NADA retail loan value plus the cost of sales tax and service contract available. All loans subject to approval and must meet credit-granting terms and conditions.
