Trevor Lerkins Hired as Information Systems Manager For Reliant Community Credit Union

SODUS, N.Y., May 4, 2017 — Reliant Community Credit Union recently announced that Trevor Lerkins has been hired as Information Systems Manager at the credit union. Mr. Lerkins comes to Reliant from Avangrid, where he served as Network Security Engineer.

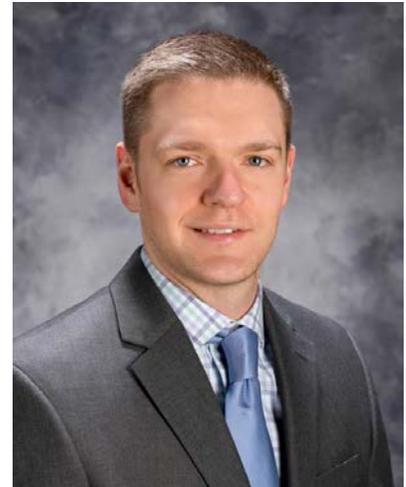

In his previous role, Mr. Lerkins was responsible for the administration of geographically dispersed IT security devices, including firewalls, proxies, and network appliances.

In his new position at Reliant, Mr. Lerkins will oversee the credit union's technology systems, including hardware, software and operations; mentor and coach departmental staff members; and coordinate the design and implementation of new systems and programs intended to meet the needs of Reliant and its members.

About his new role, Mr. Lerkins said, "I enjoy working in a close knit team and organization. Reliant is a special place where coworkers care about and respect one another. Being able to work at a place with a great culture that also promotes job growth is exciting."

Mr. Lerkins has a bachelor's degree in Information Technology from Rochester Institute of Technology, and he is CISSP® (Certified Information Systems Security Professional) certified. In his spare time, he enjoys spending time with his family and playing sports. He lives in Webster with his wife and three children.

Reliant Community Credit Union, which began locally in 1970, is a \$408 million credit union serving more than 39,000 members. Eligibility is available to all who live, work, worship, attend school, or volunteer in Monroe, Ontario, and Wayne counties. Reliant currently has branches in Brockport, Canandaigua, Geneva, Henrietta, Irondequoit, Macedon, Newark, Sodus, and Webster. A full-service financial institution, Reliant offers a complete range of financial products and services, including mortgages. For information regarding membership or employment, contact the credit union at 800-724-9282 or visit reliantcu.com.
