Reliant Community Credit Union Named One of the Rochester 2018 Top Workplaces

SODUS, NY — Reliant Community Credit Union has been awarded a 2018 Top Workplaces honor by The Rochester Democrat and Chronicle. The list is based solely on employee feedback gathered through a third-party survey administered by research partner Energage, LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

“We are proud to have a long history of a culture based on accountability, respect, and teamwork,” said Pamela Heald, President and CEO of Reliant. “This focus is proven daily by the loyalty of our members and now from our employees — having ranked us one of the top 10 best places to work in our region! Thank you to all employees that continue to work hard to ensure each co-worker and member feels valued.”
