

President and Board Chairperson's Corner

Special Edition: from President and CEO Pamela Heald and Board Chairperson Jane Slack

Advisory Board Member Search

Are you looking for a volunteer opportunity that will allow you to make a difference? Reliant's board of directors, comprised fully of member volunteers, is looking to appoint no more than two associate directors to make up an advisory committee by the start of 2019.

With the financial landscape ever evolving, it is increasingly important for Reliant to be proactive in planning for the future of our board of directors. That is where the advisory committee comes in. The advisory committee's associate directors are non-voting members of the board of directors who participate in board meetings, providing their own unique and valuable perspectives on the direction of the credit union.

What are we looking for in candidates?
