

Homebuyer Dream Program™

Up to \$10,000 available for first-time home buyers!

The money for this program will go fast, based on our previous experience. Having the first three steps completed will improve your chances of benefiting from the grant.

Steps to Participate in the Program

Step 1 — Get prequalified for a mortgage with Reliant! [Click here](#) to get prequalified online. A mortgage loan originator will provide qualified applicants with a prequalification letter to present to your real estate professional.

Please note: You must meet the qualification standards for a mortgage program to qualify for the grant.

Step 2 — Take the **required** homebuyer certification course at one of the local approved counseling agencies. (Find links to select courses [here](#).) Once complete, provide the certificate to Reliant.

Step 3 — Begin looking for houses.

Step 4 — Make an offer on a house. Once an offer is accepted and you have an attorney approved purchase contract, provide the contract to Reliant.

Step 5 — Provide all of the above documentation, as well as 30 days' worth of recent paystubs and all W2s from 2021, and any additional required documents to Reliant.

Step 6 — Once the Homebuyer Dream Program becomes available and you've provided the credit union with all of the above documentation, Reliant will apply for the grant on your behalf.
