take the dealer-offered incentive and run!

Automobile manufacturers frequently offer buyers a choice of either 0% financing or an incentive. 0% financing isn't always the best option.

When you choose the dealer's incentive instead and finance at Reliant's low auto loan rate, you may actually save more money.

¹Reliant will pay all third-party fees on its Home Equity Line of Credit provided an initial advance of \$15,000 or more is taken. If you do not maintain a balance on the Line of Credit throughout the 36 months after the date it is opened, you must reimburse the credit union for certain fees Reliant paid to third parties in connection with opening the line. These fees will generally total between \$295 (for \$7500 line) and \$2,893 (for \$175,000 line).

²ANNUAL PERCENTAGE RATE. The rate for a Home Equity Line of Credit is based on the Prime Rate published in *The Wall Street Journal* on the last business day of the second month of the calendar quarter preceding the change date plus a margin of 0% for the Prime Option plan and plus .99% for the Prime Plus plan. Your rate may vary if the Prime Rate varies, but it will not exceed 15.00% APR or be less than 3.00% APR. The minimum line amount for the Prime Option plan is \$40,000, with an initial advance of at least \$15,000. The minimum line amount for the Prime Plus plan is \$7,500 with an initial advance of \$5,000. Existing Reliant HELOC accounts must meet additional conditions to refinance to this program.

³Your variable rate is determined by an Index and a percentage amount above the Index called the Margin. Your margin is based on a six-month review of your credit history. The margin will be assigned every six months and will remain in effect until the next credit review. The Index is based on the highest Prime Rate published in *The Wall Street Journal* on the last business day of the month preceding the current calendar quarter. The Index may change quarterly. Your variable rate will not exceed 18.00% APR. No annual fee.

⁴0.99% APR applies to all purchase, balance transfers, and cash advance transactions completed on accounts opened for six months from the date the account is opened. After that date, all balances will be subject to the variable rate outlined in footnote #3. The 0.99% APR does not apply to balance transfers of existing Reliant Visa credit card balances.

All loan terms, conditions, and interest rates are subject to change. All Reliant loans are subject to approval and must meet credit-granting terms and conditions. Membership eligibility required.
