FROM PRESIDENT & CEO PAMELA HEALD

laying a new foundation in farmington

I am delighted to share that the construction of our new Farmington branch is proceeding smoothly. With the completion of the steel framework, the building is really taking shape, and it's easy to imagine just how beautiful it will be when we open our doors this spring!

Centrally located near the corner of Route 332 and Route 96, this new location will be a convenient stop for our already strong membership base in the Farmington area, and an accessible place to connect with new members as they join the Reliant family.

When we open our doors, you'll get the same warm welcome you expect from our caring and knowledgeable team, who will be ready to help you with all your financial needs using cutting-edge technology.

RISK ALERT!

Did you know scammers can impersonate someone from a trusted company, like your utility company or financial institution? If you get a call threatening to shut off your service unless you pay through a payment app, it's a scam.

We encourage you to be vigilant in protecting yourself against potential scams. Visit our website to watch a video to learn more about utility scams.
