## Fraud Can Happen to Anyone.

We would all like to believe that we would never fall for a scam, but unfortunately, scams are more sophisticated than ever, and keeping your identity safe requires constant vigilance. The good news is that there are some sure-fire ways to quickly spot a scam.

For example, Reliant will never contact you and ask for your username, password, or one-time access code. If you receive a call or text requesting this information, do NOT provide it.
